

TUITION STRUCTURE

Parent Tuition

2023 - 2024 School Year

We believe that Christian education should be within the economic reach of the families we serve.

There are 3 options:

1. Tuition Schedule
2. 10% of Household Income
3. Tuition Cap

Choose the option that makes the most financial sense for your family.

OPTION 1

Using the Tuition Schedule, determine the amount per student.

Program	PreK per child	Kindergarten per child	1st - 6th per child	7th - 12th per child
5 Day	n/a	n/a	\$7,336	\$8,891
3 Day	n/a	\$4,268	\$5,388	\$6,697
2 Day	\$2,000	n/a	n/a	n/a

OPTION 2

Determine your family's income for the previous year and calculate 10% of that total. Your family's tuition will be 10% of your family's 2023 income. This total is family tuition, NOT per student. Please note:

- There is a minimum of \$1,800 per student.
- PreK tuition is not included in this total.

OPTION 3

If either Option 1 or Option 2 exceeds \$14,500, the 3rd option is \$14,500 for your family. *PreK tuition is not included in this total.

* A la Carte pricing is \$330 per credit hour with up to 4 credit hours per year.
